5 SIMPLE STEPS FOR ORDERING

1. Select Image 2. Select Orientation 3. Select Size 4. Fill in Form 5. Pay for Photo Screen

IMAGE & SCREEN INFORMATION

Photo screens are Full Colour Digitally Printed onto Aluminum Composite Panel and Laminated to protect against UV, scratches & also easily clean down .

If you have your own image that you'd like printed - this is possible - image will need to be a high resolution image that is at least 300 dpi , to achieve the maximum sharpness required for enlargement to take place. Charges will apply to any artwork that needs to be tended to & or adjusted.

Likewise if you have a specific size that you'd like - this too is also possible - please contact us directly to discuss, your options.

There is also the option for downloading an image from : **www.shutterstock.com** - if you find an image you'd like - feel free to email us the code of image & we can take care of the rest. As this is an extras option - charges will apply.
